

February 2007

JOHN M. WIEMANN

Curriculum Vitae

Personal Data

Office Address: Institutional Advancement
University of California
Santa Barbara, CA 93106-2030
805-893-2075
john.wiemann@ia.ucsb.edu

Areas of Professional Interest

Interpersonal Communication Communicative Competence
Intercultural Communication Dynamics of Interpersonal Relationships

Education

Loyola University, New Orleans (1965-69), B.A.: Journalism
New York University (1970-71): Media Ecology
Purdue University (1971-75), M.S., Ph.D.: Communication

Professional Positions

University of California, Santa Barbara
 Vice Chancellor, Institutional Advancement, 1995-
 Professor of Communication, 1988-
 Professor of Asian American Studies, 1994-
 Acting Vice Chancellor, Institutional Advancement, October 1994-June 1995
 Acting Chair, Department of Speech & Hearing Sciences, March 1990-June 1991
 Associate Professor of Communication, 1983-88
 Assistant Professor of Communication, 1977-83
 Graduate Advisor, Communication, 1977-80; 1983-1988
Rutgers University
 Assistant Professor of Human Communication, 1975-77
Purdue University
 Graduate Instructor in Communication, 1971-75
 Research Assistant, Measurement and Research Center, 1973-74
International Business Machines Corporation
 Employee Communications Specialist, 1969-71

Visiting Positions

- Kansas University
Distinguished Visiting Professor, Department of Communication Studies, January 1992
- Chinese University of Hong Kong
Visiting Scholar, English Language Teaching Unit, March 1989
- University of Bristol
Fulbright Senior Research Scholar, Department of Psychology, Fall 1985
- University of Texas, Austin
Visiting Scholar in the College of Communication, Fall 1980

Professional Activities

Papers Delivered

The diagonal dimension of the organization: A model for applied communication research. International Communication Association Summer Conference, Flint, MI, August 1972.

On integrating the student into the profession. International Communication Association Convention, Montreal, April 1973.

Preentry considerations for executing communication research in situ. International Communication Association Summer Conference-Midwest, Athens, OH August 1973. (with H.S. Dennis)

Ritual and regulation in conversational turn-taking: Verbal and nonverbal behavior. Central States Speech Association Convention, Milwaukee, April 1974.

Articulating the need for an effective internal communication system: New empirical evidence for the communication specialist. International Communication Association Convention, New Orleans, April 1974. (with H.S. Dennis & G. M. Richetto)

An experimental study of visual attention in dyads: The effect of four gaze conditions of applicants in employment interviews. Speech Communication Association Convention, Chicago, December 1974.

Communicative competence: A paradigm for interpersonal communication theory and research. SCA Doctoral Honors Seminar on Interpersonal Communication, Michigan State University, May 1975.

An experimental investigation of communicative competence in initial interaction. International Communication Association Convention, Portland, April 1976.

A sociology of knowledge for communication: Directions and implications for a method of inquiry. Speech Communication Association Convention, San Francisco, December 1976. (with B.D. Ruben)

A description of competent and incompetent communication behavior. Speech Communication Association Convention, Washington, D.C., December 1977.

A summary of current research on communicative competence. Speech Communication Association Convention, Washington, D.C., December 1977.

The status of applied communication research: Some indications of failure. Speech Communication Association Convention, Washington, D.C., December 1977. (with L.D. Schuelke)

Current theory and research in speech communication competencies: Issues and methods. American Educational Research Association Convention, Toronto, March 1978. (with P. Backlund)

The assessment of communication apprehension. SCA Summer Conference on Experiential Learning: Resources, Applications and Assessments, Moraga, CA, August 1978.

A typography of normal conversation. American Speech and Hearing Association Convention, San Francisco, November 1978. (with C. Prutting)

- Pragmatics and interpersonal competence. ICA/SCA Postdoctoral Conference on Human Communication from the Interactional View, Asilomar, CA, February 1979. (with C. Kelly)
- Comments on investigations of communicator style. International Communication Association Convention, Philadelphia, May 1979.
- Definitions and explanations of competency-based instruction. Eastern Communication Association Convention, Philadelphia, May 1979. (with M.O. Wiemann)
- Nonverbal communication in relational development. Eastern Communication Association Convention, Philadelphia, May 1979.
- The language of relationships: I. Description. International Conference on Social Psychology and Language, Bristol, England, July 1979. (with D.L. Krueger)
- Communication in context: Measuring pragmatics. California Speech and Hearing Association Southern Regional Conference, San Diego, October 1979. (Keynote address)
- Effects of laboratory videotaping procedures on selected conversation behaviors. Speech Communication Association Convention, San Antonio, November 1979.
- Interpersonal communication competence: Conceptualization, measurement, and future considerations. Speech Communication Association Convention, San Antonio, November 1979. (with C. Kelly & L. Chase)
- Dimensions of interpersonal relationships revisited. International Communication Association Convention, Acapulco, Mexico, May 1980. (with D. Krueger)
- Communication competence in instruction. International Communication Association Convention, Acapulco, Mexico, May 1980. (with T. Cooley)
- Assessment of oral communication skills. American Speech-Language-Hearing Association Convention, Detroit, November 1980.
- Perspectives on speaking and listening assessment. American Educational Research Association Convention, Los Angeles, April 1981.
- Self-disclosure and relational control. International Communication Association Convention, Minneapolis, May 1981. (with S. Widenmann)
- Intimate and friend relations. Speech Communication Association Convention, Anaheim, CA, November 1981.
- Assessing communicative competence in children. International Communication Association Convention, Dallas, May 1983.
- Communicative competence: Nonverbal behavior leading to verbal communication. American Speech-Language-Hearing Association Western Regional Meeting, Honolulu, July 1983. (plenary address)
- The interaction between theory and practice: A theorist's view. American Speech-Language-Hearing Association Western Regional Meeting, Honolulu, July 1983.
- Male/female language differences and their effects in like-sex and mixed-sex dyads: A test of accommodation theory and the gender-linked language effect. 2nd International Conference on Language and Social Psychology, Bristol, England, July 1983. (with A. Mulac, S.W. Yoerks, & T. Gibson)

- Some issues in the study of communicative competence. Speech Communication Association, Washington, D.C., November 1983. (with J. Bradac)
- Empathy: A link between communicative competence and interpersonal intimacy. Central States Speech Association Convention, Chicago, April 1984. (with S. Bingham)
- Competent teachers, competent students. American Educational Research Association Convention, New Orleans, April 1984.
- Instruction and communicative competence. International Communication Association Convention, San Francisco, May 1984.
- Interactional perspective on health communication, with special attention to the effects of interactive computers. International Communication Association Convention, San Francisco, May 1984.
- Turn-taking in atypical conversations: The case of the normal-augmented communicator dyad. International Communication Association Convention, Honolulu, May 1985. (with M. Buzolich)
- Communicative competence: A behavioral perspective. International Communication Association Convention, Honolulu, May 1985. (with J. Bradac)
- Beliefs about talk: Intergenerational perspectives. International Conference on Talk and Social Structure, Santa Barbara, March 1986. (with N. Coupland & H. Giles)
- Patient satisfaction with physician interpersonal involvement, expressiveness, and dominance. International Communication Association Convention, Chicago, May 1986. (with R. Street)
- Beliefs about talk and silence in a cultural context. Speech Communication Association Convention, Chicago, November 1986. (with V. Chen & H. Giles)
- The scope of message variable research. Speech Communication Association Convention, Chicago, November 1986. (with J. Bradac)
- Consciousness and communicative competence. Speech Communication Association Convention, Chicago, November 1986. (with J. Bradac)
- Speech evaluation differences as a function of perspective (participant vs. observer) and presentational medium. International Communication Association Convention, Montreal, May 1987. (with R.L. Street & A. Mulac)
- "On-the-air" presentations: Some functions of video-recorded communication across the generations. Conference on Video Analysis, University of Surrey, England, July 1987. (with H. Giles, N. Coupland & J. Coupland)
- The language of control in interpersonal communication. 3rd International Conference on Social Psychology and Language, Bristol, England, July 1987. (with J.J. Bradac & K. Schaffer)
- Interruption patterns in same-gender and mixed-gender dyadic conversations. 3rd International Conference on Social Psychology and Language, Bristol, England, July 1987. (with S. Mann, A. Mulac & D. Zimmerman)
- Beliefs about talk: Intergenerational perspectives. Speech Communication Association Convention, Boston, November 1987. (with N. Coupland, H. Giles, P. Rowlands, K. Henwood & J. Coupland)
- Theoretical underpinnings of the Beliefs about Talk research program. Conference on Culture and Communication Theory, Tempe, AZ, April 1988. (with P. Aiu & J. Busch)

- Elderly self-disclosure: Interactional and intergroup issues. International Communication Association Convention, New Orleans, June 1988. (with N. Coupland, J. Coupland, H. Giles, & K. Henwood)
- Individual and cultural bases of competence. Speech Communication Association Convention, New Orleans, November 1988.
- Controlling through openness. Speech Communication Association Convention, New Orleans, November 1988. (with N. Coupland & H. Giles)
- Epilogue: The role of communication in health care delivery to the elderly. Fulbright International Colloquium on Communication, Health, and the Elderly, Gregynog Hall, Newtown, Wales, December 1988. (with R. Gravell & M.C. Wiemann)
- Control, power and equality in relationships. International Communication Association Convention, Dublin, Ireland, June 1990. (with J. Busch & C. Baldwin)
- Beliefs about talk and relational evaluations: When *inequality* can be a good thing. International Communication Association, Dublin, Ireland, June 1990. (with J. Busch, M.A. Fitzpatrick and J.J. Bradac).
- The role of beliefs and relational schemas in evaluating relationships. Fifth International Conference on Personal Relationships, Oxford, England, July 1990. (with J. Busch, M.A. Fitzpatrick & J. Bradac)
- Communication theory as it applies to provider/patient interaction--with special attention to elderly patients. Plenary Address at the Monterey Health Communication Conference, Monterey, CA, March 1991.
- The interplay of theory and measurement in the study of communicative competence. Speech Communication Association Convention, Atlanta, November 1991. (with J. Busch)
- The state of research in communicative competence. Woolbert Award Presentation. Speech Communication Association Convention, Chicago, November 1992.
- Interpersonal communication media use in long-distance relationships. International Network on Personal Relations Conference, Milwaukee, June 1993. (with P. O'Sullivan & R. Gurien)
- The social utility of using age stereotypes for conversational management. Gerontological Society of America, New Orleans, November 1993. (with E. B. Ryan & L. H. Boich)
- Communicating with the elderly about and for their health: Conference Epilogue. Second International Conference on Communication, Aging, and Health, McMaster University, Hamilton, Ontario, May 1994.
- The role of gender and communicative competence in university students' evaluations of their teaching assistants. Speech Communication Association Convention, New Orleans, November 1994. (with C. Boggs)
- An integrative approach to communicative competence: Cultural and pedagogical issues. Speech Communication Association Convention, New Orleans, November 1994. (with H. Ota & M. O. Wiemann)
- Models of communicative competence and how they comport with communication theory. Speech Communication Association Convention, San Antonio, November 1995. (with H. Ota & J. Takai)
- Partners' beliefs about talk and reports of internal dialogue during engagement and marriage. Speech Communication Association Convention, San Antonio, November 1995. (with J. M. Honeycutt)

Situational and relational contexts of direct communication strategies: A cross-cultural comparison. National Communication Association Convention, Seattle, November 2000. (with J. Takai & A. Cargile)

Investigating anomalies in intercultural communication research: Testing global versus relational measures of self in Japanese, American, and Canadian samples. National Communication Association Convention, San Antonio, November 2006. (with J. Takai, K. Fuse, P. Lee, N. Ota, J. Dunning, A. Perlini, and T. Yoshida.

Invited Lectures

University of Iowa, 1977
University of Texas, Austin, 1980
