What is Communication Career Day?

Join us for the 12th Communication Career Day on April 25th 2020! Hosted at Corwin Pavilion by the Communication Alumni Council, this annual networking event brings 200+ Communication students together with alumni for career workshops, industry connections, and professional socializing. As in previous years, sponsors will make personal contact with eager junior and senior at this informal and important networking event.

UCSB Communication students participate in this career-building event for a jump-start in their future careers. Students meet with alumni and receive one-on-one career guidance, learn from expert speakers and gain experience from student-alumni networking sessions.

UCSB Communication alumni join to give career guidance by sharing their insights and experiences the current generation of communication students. It's also a great opportunity for alumni to reconnect with other UCSB Communication alumni and faculty.
